Addendum #2

Question and Answer (2 of 2)

Question 1. Are all the areas marked as "Stabilized Parking Areas" on PGD-1 and "Stabilized Grass Area" on SP-1 to conform to the detail called "Stabilized Area Detail" on D-2, meaning will all those areas require removing 8" of existing soils and replacement with 8" of limerock base material?

Response: Yes.

Question 2. We kindly request a bid extension to the referenced project.

Response: At this time, the original due date is still in effect. Any updates will be posted to the Town's [Procurement - Active Solicitations](https://www.southwestranches.org/procurement/2025-2/) website (<https://www.southwestranches.org/procurement/2025-2/>) and on Demandstar.com.
